BIO

Jeffrey Brenner is a highly accomplished senior executive with more than 35 years of experience in managing the financial and operational functions of major corporations as well as emerging and midsize entrepreneurial companies. Jeff has served as an outsourced CFO, overall adviser to early stage and middle market companies and an investment banker focusing on M&A and capital raising activities prior to joining C-Suite IMPACT Deal Makers.

Jeff's focus on increasing profitability, increasing cash flow and increasing operational efficiency, enables him to formulate big picture M&A strategy with the details needed to achieve the best results for every client. His detailed focus on profits, processes, and people that he brings to each client has produced consistent results in the area of M&A and capital raising Jeff's M&A background. During Jeff's career he held the positions of CFO & COO of IBS Interactive, a internet company he took public. In addition, he was CFO of Database America, a major direct marketing database company and Director of Finance and Administration, Employer Services Division, for ADP Inc.
